**Monastic Discipline: 4 bits of Lenten Advice for Lay Catholics**

The structured and disciplined lifestyle of monks and nuns has a special appeal during Lent, a season especially dedicated to introspection, transformation, and renewal. While embracing monastic life is not necessarily part of what most lay Catholics would consider their calling, incorporating its core principles can surely enrich your Lenten journey, and foster spiritual growth throughout the year.

Here are some of the monastic practices and values everyone can benefit from.

Prayer and Contemplation: Lent is a time for going deeper into prayer, incorporating it into our everyday routines. Set aside time each day for personal prayer, attend daily Mass if possible, and participate in Lenten devotions offered by the parish.

Simplicity: Use Lenten traditions such as fasting and abstinence as opportunities to detach yourself from the kind of habits holding you down and focus on your spiritual growth. Consider simplifying your meals (or your life, in general), minimizing distractions such as excessive screen time, and even decluttering your living space.

Obedience: During Lent, commit to following the Lenten practices prescribed by the Church as a form of spiritual discipline. This will strengthen your will, and your connection to the wider Catholic community.

Service: Lent is a call to increased service. Volunteer, donate to charities that help those in need, or simply perform acts of kindness for those around you. Reflecting Christ's message of compassion is central to the Lenten spirit.

Be sure you do not overwhelm yourself with drastic changes. Prudence is key. Gradually incorporate these practices into your life, beginning with Lent and aiming to maintain them throughout the year. By incorporating these monastic-inspired principles during Lent, you may experience and discover, a deeper sense of the meaning of Lent and a structured spiritual practice allows you to fully engage in the season's call to prayer and reflection.

Simplifying your life and focusing on the essentials can create a sense of peace and calm amidst the busyness of daily life. Serving others fosters a sense of connection to your community and reinforces the true meaning of Lent. While not fully replicating monastic life, incorporating these elements of discipline during Lent and beyond can provide a path to spiritual growth and a more intentional way of life for all believers, both monks and laypeople.

God Bless,

**ROMAN CATHOLIC  
DIOCESE OF PROVIDENCE  
2025 GUIDELINES FOR LENT**

*Lenten Fast and Abstinence Regulations*

Abstinence from meat on Ash Wednesday and the Fridays of Lent (for those 14 and older) is required by Church law. Also, Ash Wednesday and Good Friday are days of fasting: those between the ages of 18 and 59 should eat less, meaning, take no solid food between meals and only one full meal that day. Serious health conditions excuse a person from these precepts. Pastors and parents are encouraged by the law of the Church to ensure that minors who are not bound by the law of fast and abstinence are educated nonetheless in an authentic sense of penance. Following the implementation of the revised Code of Canon Law on November 27, 1983, the National Conference of

Catholic Bishops in the United States determined that the rules of fast and abstinence which have existed for the last several years in this country be maintained. Namely, that the faithful observe suitable penitential practices on all Fridays throughout the year. These penitential practices need not include abstaining from meat. However, as indicated above, the faithful must not eat meat on all the Fridays of Lent as well as on Ash Wednesday. They must also observe faithfully the fast regulations as they have been stated above in accord with the universal law of the Church (Code of Canon Law, 1250-1252).

*Prayer, Fasting, Almsgiving*

Lent is above all a time of prayer. To enhance the practice of prayer, the Church invites her members to follow the custom of fasting and to accompany that fasting with an increase of almsgiving for the needs of the poor. St. Augustine, in a sermon on Lent, teaches that: *Through humility and charity, fasting and almsgiving, abstaining and forgiving, avoiding evil and doing good, our prayer seeks peace and achieves it* (Sermon 206).

# Prayer for the Election of a New Bishop

(from the Diocese of Providence Office of Divine Worship)

Heavenly Father, look with favor upon this the Church of Providence and grant her a bishop who will govern, sanctify, and teach with the heart of a good shepherd. Grant to this chosen man an increase in the gifts of your Spirit, especially wisdom, fortitude, understanding, and the virtues of faith, hope and love. Unite this local Church under the guidance of your Spirit, so that your servant might find a people who praise you unceasingly and give glory to the Majesty which is yours alone. Shower your grace upon us, O Lord, that we may soon rejoice in your gift of a holy shepherd who seeks out the lost sheep and carries them home to Heaven, where your faithful shall glorify you without end. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, forever and ever. Amen.
